## HOW TO EXPLORE FALL COLOR IN CADILLAC

### 1 START AT CITY PARK

Fall color in the Cadillac area is second to none. Breathtaking views can be seen from your car, bicycle, kayak, canoe, motorcycle, train or by foot... you name your mode of transportation, we have a route for you.

All Road Routes start and end in Downtown Cadillac at the new Cadillac Commons at the City Park - GPS: 190 Cass Street, Cadillac.

### 2 FOLLOW THE ROUTE

There are FOUR routes that have been mapped and identified with points of interest and foodie picks along the way. Each of these routes are mapped and highlighted on reverse side of this brochure.

- 1. Lakes Cadillac & Mitchell Route
- 2. Cadillac to Mesick
- 3. Cadillac to Hoxey/Luther/Bristol
- 4. Cadillac to Lake City/ Manton

### 3 LOOK FOR THE SIGNS

With the rise in popularity of fall color in our region, the Cadillac Area Visitors Bureau has worked with local and regional officials to install these wayfinding signs to help guide you throughout the region. You will see the fall color leaves and arrows indicating when turns are to be made. The signs will also have the route number in the corner to help direct you.

### 4 LEARN MORE & EXPLORE!

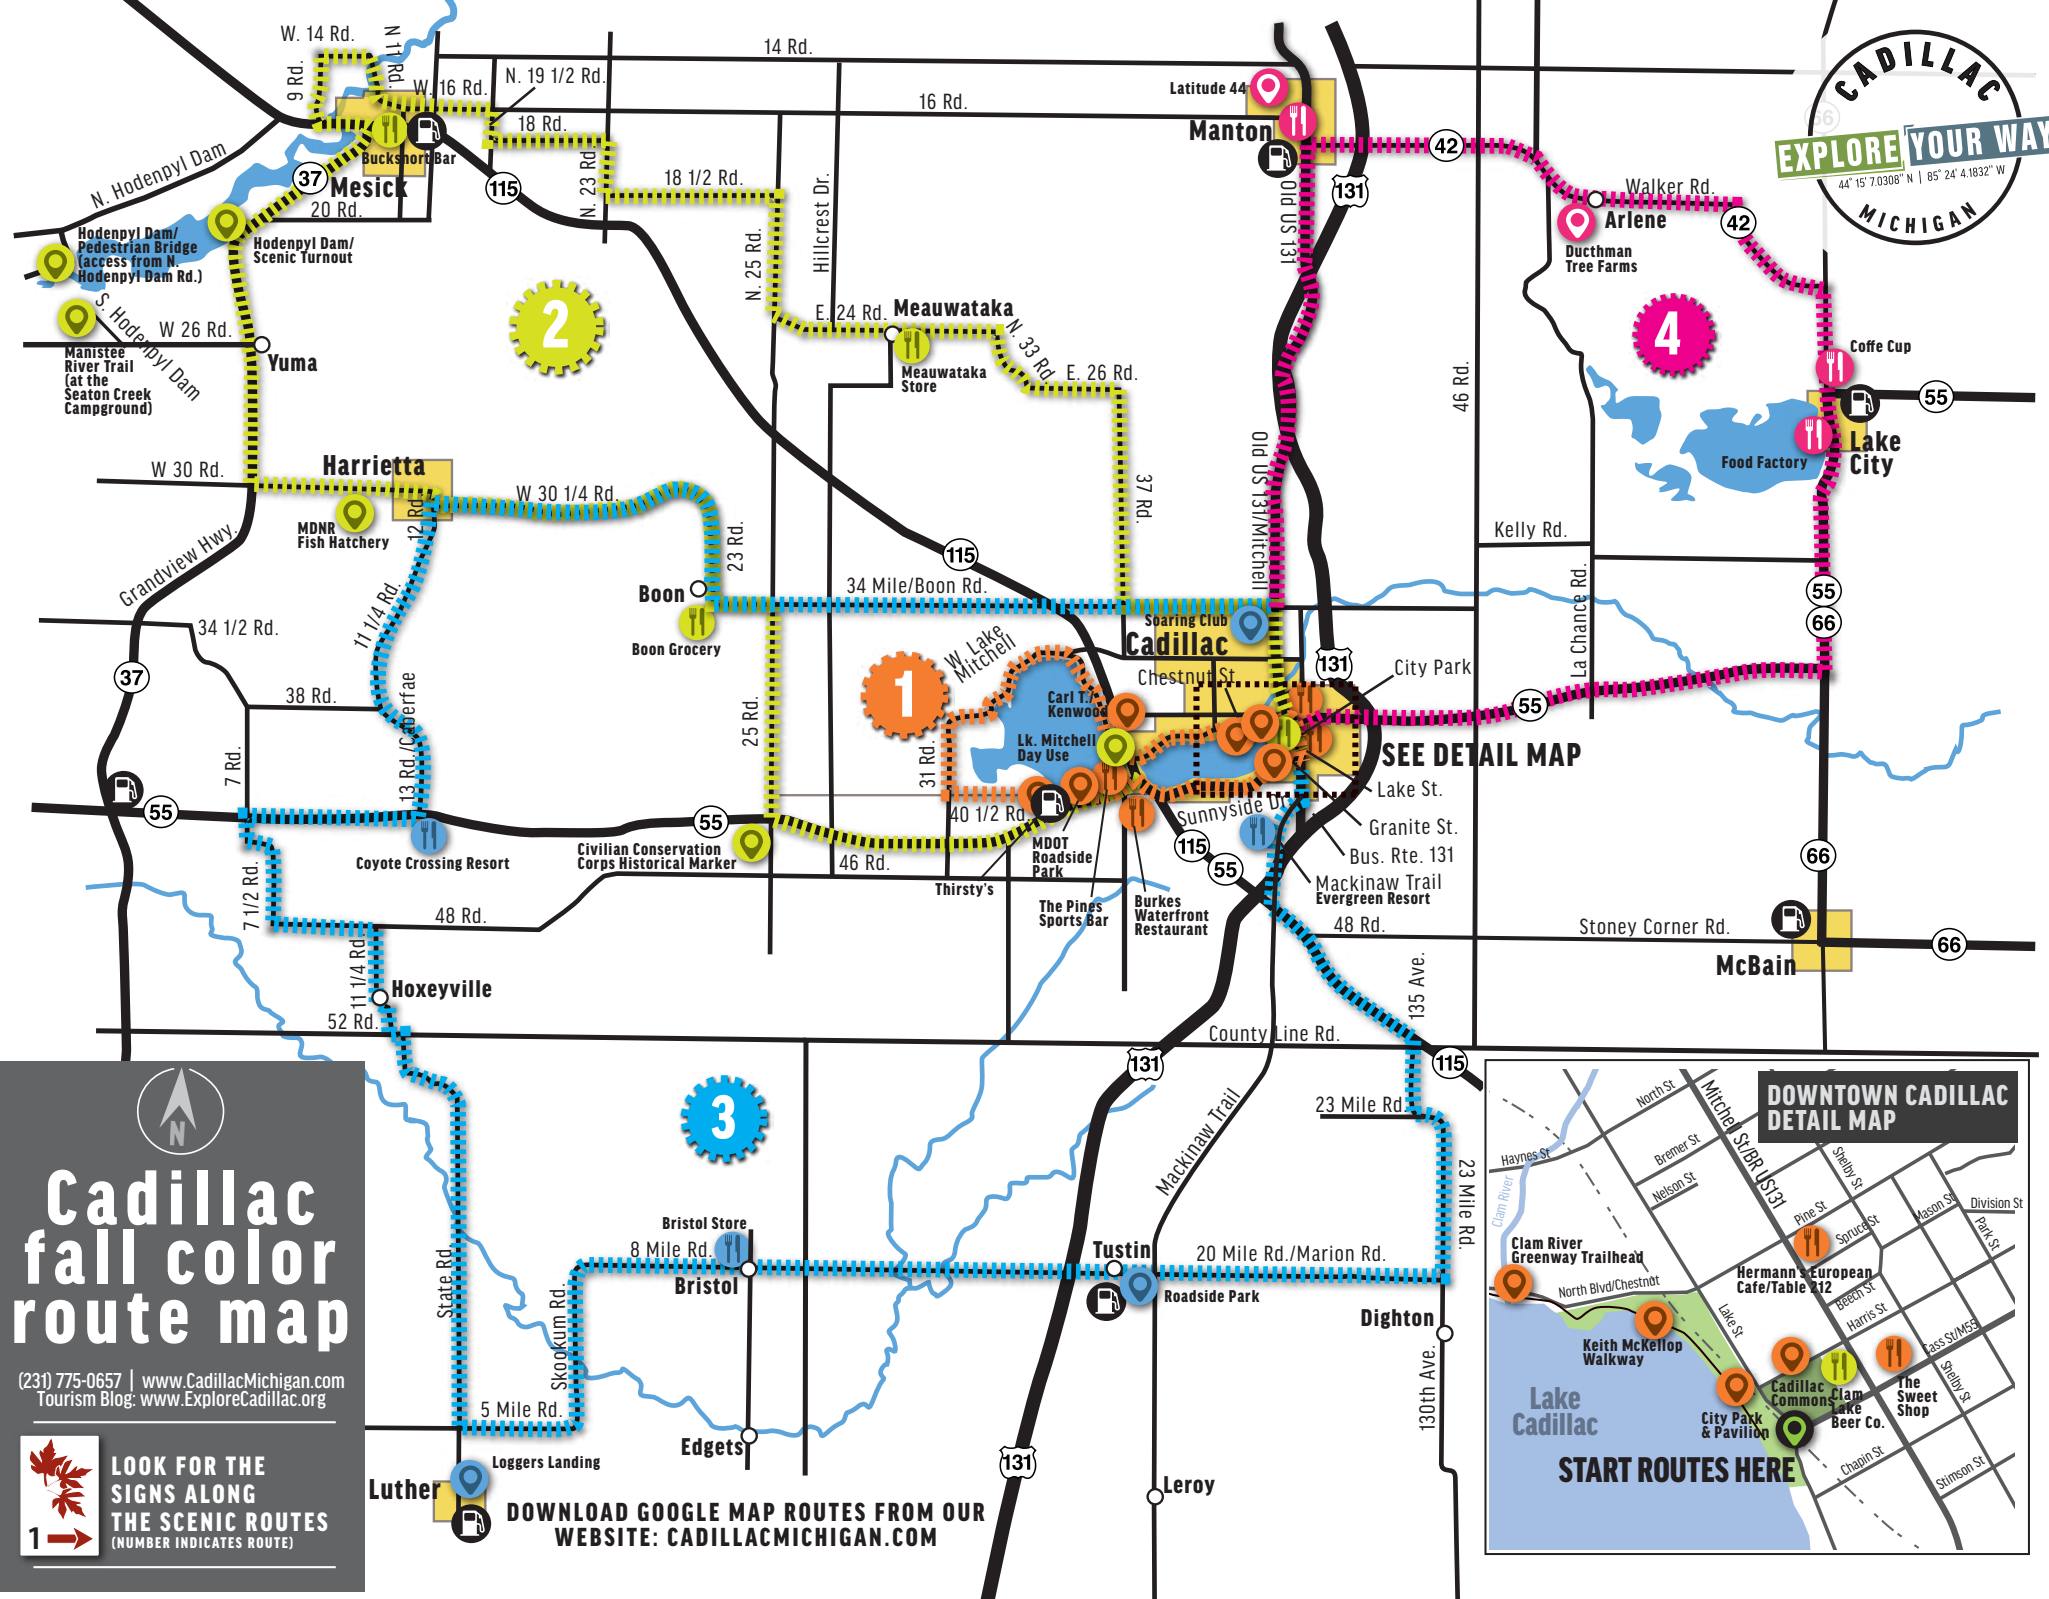

First time to Cadillac? Frequent visitor? There is always something new to explore in our all new Cadillac, Michigan travel guide. Find other self-guided travel ideas, learn about the area history, and explore the top sights.

Stop in and pick up your free guide today (201 N. Mitchell St.), or request it online at: [CadillacMichigan.com](http://CadillacMichigan.com)

### 5 SHARE YOUR EXPERIENCE

Tell us about your fall color experience! Share ideas and more with other travelers at our tourism blog: [ExploreCadillac.org](http://ExploreCadillac.org)!
